

DIAMONDS OF THE COLLECTIVE

An honorary ambassador program recognizing athletes who lead on and off the field.

An Initiative of The Diamond Collective

EXCELLENCE ON THE FIELD. LEADERSHIP OFF IT.

The Diamond Collective created this honorary ambassador program to recognize exceptional baseball players.

It gives elite athletes, including professional players, Division I athletes, and high-level prospects, a home base to train and stay connected.

Athletes receive facility access, merchandise, promotional opportunities, and community engagement platforms.

Involvement is invited, never required: mentorship, clinics, camps, and service, at whatever level fits.

BUILD A LEGACY THAT LASTS BEYOND THE GAME.
